COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend physical distancing and during the pandemic have placed restrictions on the congregation of groups and people.*

*The New England Music Festival Association (NEMFA) observes the preventative measures that meet the guidelines of the Centers for Disease Control and International Performing Arts Aerosol Study to reduce the spread of COVID-19.*

*By registering for this event, I/we acknowledge the mitigating measures listed below will be in place and by attending I agree to abide by following all protocols established by the New England Music Festival Association:*

- *Students and adults will wear masks at all times while indoors including daily rehearsals, on the bus, and the culminating performance on March 19, 2022.*

Students are encouraged to purchase the equipment well in advance of the festival due to PPE shortages.*

- *All participants must do a daily symptom check and report any change in status to their school teacher/sponsor or NEMFA representative should they begin to experience any symptoms associated with COVID-19.*
- *Masks are required for all audience members at the final concert.*
